Dear 2010 Monterey County History Day Winner,

Congratulations, all your hard work has paid off! The following information will help you to prepare for the 2010 California History Day Competition. You will be responsible for completing the necessary steps to compete in the state competition.

1. The following notes refer to the memorandum from Constitutional Rights Foundation (CRF-next page)

Step One- Follow these directions to register online

Step Two- Print out and complete Permission slip as instructed but return to Kyle Edgerton (not CRF) by April 2nd, 2010. The Lyceum of Monterey County will pay the \$80 entry fee and turn in your permission slip to CRF by the date required. If we have not received your permission slip you by this date, we will notify the honorable mention contestant that they are now eligible to fill in your spot.

Step Three- The 2010 State Finals Information Booklet can be found at http://www.crf-usa.org/images/pdf/hd_handbook.pdf

Step Four- Follow these instructions to get your scheduled judging information

2. Each student is responsible for booking and paying for his/her own hotel room. Book it early because these rooms fill up fast. We recommend you get to the location the day before your interview time to ensure you have enough time to set-up and relax.
3. If you have any questions or concerns regarding the rules, schedule, entry number, or room of the final competition, please call the number at the bottom of the CRF Memorandum (213) 316-2125.

Good luck and have fun! ☺
